**Tunde Dugantsi : Cookie Academy 2. - Winter Landscape (Tunde's Creations) (Volume 5)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookie Academy 2. - Winter Landscape (Tunde's Creations) (Volume 5):

3 of 3 people found the following review helpful. Cookie Academy 2 bookBy Vanessa SThe book would be good if the photo's were better. it looks like someone took the original book and put it on a copy machine with very low ink, and some of the pictures you can't even see what the decorator is doing. I would say it's a poor quality book, if I had seen this before I purchased it I probably would not have. I like all of my books to be clear and bright so I can read and see the instructions clearly.I was a little sad to see it come this way. I'm on the fence about returning it.Update: the author contacted me regarding the cond. of the book and let me know that it was probably a defective book since is the one that makes the copies to sell. She asked me to please return it to get a better one. I do own another one of her

books and it's in perfect photo cond. I felt it was really nice of her to contact me , I know she doesn't want her books to be sent defective. I look forward to her other books, she is an amazing artist.2 of 2 people found the following review helpful. I was waiting for a book like this to come out and I was not disappointedBy S GarveyI was waiting for a book like this to come out and I was not disappointed. Granted, it is not a shiny coffee table type book, but it definitely helped me to create the cookie in the attached photo. The steps were very clear and easy to follow. I also loved the addition of the templates and recipes. I would recommend this book to anyone that is in love with this type of cookie art.

Tunde Dugantsi is a Hungarian gingerbread artist and cookie decorating instructor living in the United States, author of Gingerbread Academy and Gingerbread Christmas Wonderland. The series Cookie Academy is the enhanced version of her actual class materials. Winter Landscape is the second volume of this series. Cookie Academy 2 ndash; Winter Landscape contains everything you need to learn to create this enchanting design on your cookies (or cakes): step by step instructions, templates and more.
