**CQ Products : Cookie Bouquets, Delicious Designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookie Bouquets, Delicious Designs:

0 of 0 people found the following review helpful. Great ideas for making cookie bouquets -- just too few of them!By

Robert K. Urquhart This is a great book for those new to making cookie bouquets. It's a full-color book with a bit of an odd size, about 11 x 4.5". It presents 13 different projects with a picture of the finished project and then has step by step directions with an accompanying photo of each step. One of my favorite things about this book is that it's printed and bound here in the USA. Too many books nowadays are printed in China and other countries in the far East. I would have liked to have seen more than 13 project. The book does contain some basic recipes for four types of cookies, two sugar cookies, peanut butter cookies, and gingerbread cookies. Here again I feel that more recipes would have added depth to the book. There are also recipes for crisp rice cereal treats along with a buttercream frosting and shiny icing. I think this book would be great for a young person looking to try their hand at cookie and cookie bouquet making, but the serious and experienced cookie baker would find this book lacking depth. 0 of 0 people found the following review helpful. Cookie Bouquets, Delicious Designs By NUMBER 1 I like the Cookie Bouquets book. 7 of 8 people found the following review helpful. an okay book By Babs54 I too am a little disappointed in the book. I can't decide if I should keep or return the book. The bouquets depicted are ordinary nothing spectacular. The bouquet design arrangements are very typical looking. I thought it would have unique design arrangements that you ordinarily wouldn't see. Book is a good one if you're a novice to cookie bouquets.

Create Your Own Gifts Centerpieces! A homemade gift is priceless, but it doesn't have to be expensive. Delight your loved ones with a colorful bouquet of sweet edible treats - it's a delicious way to brighten anyone's day!
