Debora Pearson : Cookie Critters: A Cookbook and Cookie Cutter Set before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookie Critters: A Cookbook and Cookie Cutter Set:

6 of 7 people found the following review helpful. Cookie CirttersBy A CustomerExcellent book for indoor play with your children and for party treats. I used animal cookie cutters to make animals with play dough. I used recipes for fun snacks and party treats. It was fun cooking with my son and he loved the book. The book has plenty of good recipes and interesting illustrations. I also used the cookie cutters to make animal shape sandwiches and other snacks for my picky eater. I strongly recommend this book for any parents who like playing with their children indoors or who have a picky eater.
