recipes look soooo delicious and simple! The hardest part is choosing which one to try. Today I made the apricot cashew bars for friends who just had a baby (and I made a batch for my family of course!) and got rave reviews! I cant wait to make more! Its also a great cookbook for parents of little kids- because they get to help put on all the fun toppings (if they dont eat them first)! My 4 year old daughter had lots of fun making these and eating them too!0 of 0 people found the following review helpful. Never bake cookies from scratch again.By MR in CAI've had this cookbook about 3 years. Started at the front and am working my way thru recipe by recipe. When I take a dessert somewhere, that is my go to book. Have given one as a gift. I will never bake cookies from scratch again.0 of 0 people found the following review helpful. Five StarsBy CANice simple recipes

Chocolate chippers, lemon bars, madeleines, brownies, short-bread, thumbprints, rugelach, biscotti, mandelbrot, and fortune cookies - we all love them. We love them even better when they are home-baked. The ultimate comfort food, fresh-baked cookies offer instant reassurance, consolation, and community. One of the reasons we hesitate to bake cookies is that all too frequently we discover that we don't have all the ingredients we need (or we don't have enough time to bake them from scratch). Cookie Dough Delights conveniently solves both problems. Its easy recipes will tempt everyone back to the oven with an assortment of delectable home-baked cookies (and a smattering of other mouth-watering desserts), all of which begin with an 18-ounce roll of refrigerated cookie dough from the supermarket dairy case. With little more than a few easy, simple steps, the ordinary can be transformed into the extraordinary. Using refrigerated cookie dough is not about abandoning traditional cookie and dessert recipes; it is a celebration of the options available to bakers today. The ease of working with refrigerated cookie dough also helps bakers of all abilities to focus on the aesthetics of cookies and desserts - including fancy decorations and icings - if they so choose. Recipes included in Cookie Dough Delights: Drop cookies Formed and fancy-shaped cookies Bar cookies Filled cookies Special treats Icings Frostings Fillings.. and other extras! Praise for Cookie Dough Delights: "...a nearly foolproof way to end up with a great dessert for a picnic, barbecue or alfresco dinner party." New York Daily News "...as we paged through...we found ourselves first intrigued, then hooked. Many of the recipes are unexpectedly sophisticated..." Boston Herald "Cookie Dough Delights will change your outlook...ideal to turn to when you need quick cookies..." St. Petersburg Times "...seems like homemade - although it's much less trouble...adults will probably like...these cookies as much as the kids." St. Louis Post-Dispatch
