I've got a good variety of recipes for making all kinds of cookies. The recipes are easy to follow and with detailed instructions, that is why I've got a good try. The first recipe from the book was Tiramisu Cookie Sandwich, amazingly tender and delicious treat. I'll try others as well, my daughter is excited to help me in making all kind of cookies, we love it!0 of 0 people found the following review helpful. Must-try for cookie lovers like me!By DenieceLots of delicious recipes on this book. So far, based from what we've tried out, our favourites are the Chocolate Truffle Cookies, Graham Cookies and the Vanilla Macaroon Cookies. Try them out and you'll surely love them. But I wish they'd come with nutritional info because I'm on a diet and I want to watch out what I'm eating. Overall, this book's really handy for someone who's into cookies like us.0 of 0 people found the following review helpful. Love it!By C. R.If you like cookies then you'll love this book.
