Hannie P. Scott : Cookie Recipes: Delicious and Easy Cookies Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookie Recipes: Delicious and Easy Cookies Recipes:

7 of 7 people found the following review helpful. Great for BeginnersBy RachelleJust a warning for serious cookie makers, this book has quite a few of cake mix cookie type of recipes. I don't mind them, in fact some of the are pretty creative. The recipes are simple and easy, no complicated browned butter cookie recipes.I would have really appreciated pictures and better instructions, although most are pretty simple and easy. For example one of the recipes calls for pudding mix in the cookies, not sure why, but I would have enjoyed having it explained.Overall it has some

neat and unique recipes, but is lacking in pictures and longer explanations/ instructions,5 of 5 people found the following review helpful. 15 recipesBy Florida KayakerThis Cookie Recipe book gives us the abbreviations and conversions for common baking terms. It also has a nice table of contents so it is easy to choose a recipe and go right to it.Before you get into the recipes note that there is no listing of nutritional facts, including calories after each recipe. If that is important, this is not the cookie book for you.The recipes includes some old standbys but also some rather creative recipes that I have not seen before. I personally like all of the themed cookies, Butterfingers, Peppermint, Nutella etc. There are several recipes that start with a cake mix. This saves some time and makes your recipes consistent.This is a very short book, only 15 recipes.9 of 9 people found the following review helpful. I even made some!By Kindle CustomerA very well thought out cookbook, especially for the novice. I know this because I am one.I am a disabled Veteran and like to try new things. This cooking is one of them.I made the oreo creme cheese cookies and they we super, yes I toot my horn.Thank you Hannie down there in Missip.Allen
