Penny McConnell, Kathy Sutton : Cookie Stories: Life Stories and the Cookies that Inspired Them before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cookie Stories: Life Stories and the Cookies that Inspired Them:

0 of 0 people found the following review helpful. I gave a great gift! By bluczrI bought three of these for my daughters and wife. They all loved the book. The stories as well as the recipes were and are a great hit. I was a good Santa this year! 0 of 0 people found the following review helpful. Best Collection of Cookie Recipes By SnarkychefI bought Cookie Stories after attending a workshop given by Penny McConnell. So far, all the cookies I've made have been well received by everyone, and the recipes were easy to follow. There are all sorts of useful baking tips in the front of the book and answers to common questions in the back. The most important information for me was the sugar cookie recipe. I have a recipe that tastes a little bit better, but it is so difficult to work with that I now use the recipe from this book instead. It's simple, quick, and tastes pretty good. This is the most used cookie book in my baking collection. The stories were entertaining too. 0 of 0 people found the following review helpful. A Wonderful BOOK, A Cup of Coffee and COOKIES! By Biskitmom As an avid reader and collector of cookbooks, this heart warming book/cookbook covers all the bases. The stories are so vivid and real. We've all been there! I found myself laughing out loud at some of the stories and being touched and warmed by others. The recipes are ones that everyone can make and the directions are simple and easy to follow. Loved the shortbread and brownies! Even if you don't collect cookbooks or bake, you'll enjoy this book. The stories will just make you feel good! I've tested several of the recipes. Now it's time to have a cup of coffee, eat some COOKIES and re-read some wonderful stories.

Packed with dozens of real-life stories and anecdotes, this casually presented and thoroughly entertaining volume takes you on a memorable journey thanks to the efforts of our two cookie-loving coauthors, who made contacts across the country to bring you the funniest, most heart-warming cookie stories ever. Written in a light-hearted and conversational style, the stories of friendships made, adventures experienced, and love of family celebrated are focused through the lens of the universally loved cookie. Cookie Stories is at once funny, tender, and captivating.

Match your feelings with one of the great recipes taken from the popular kitchens of Penny's Pastries (featured on The Food Network) and you are on your way to creating impressive memories of your own. Along with some time-tested bakers' secrets, you'll discover how to create romantic cookies—decadent delights brimming with chocolates, mysterious spices, and sensual textures—as well as family favorites ready to share at your next potluck or backyard barbecue. Like a big batch of chocolate chip cookies fresh from the oven, Cookie Stories is sweet, familiar, and always satisfying.

About the Author Penny McConnell At eight years old, Penny made her first batch of cookies. By the time she was 14 years old, she knew she wanted to be a baker when she grew up. And except for her minor detour to go to college and the 10-year stint as an advertising copywriter, Penny has spent her life making cookies, teaching cookie classes, writing about cookies, and passionately building her popular 15-year-old company, Penny's Pastries. Currently, she continues her cookie crusade through creating new cookie concepts, public speaking, and teaching. Cookie Stories is her first book.

Kathy Sutton Since the first whiff of Snickerdoodles baking in her mom's oven, Kathy has been a lover of fresh-baked cookies. She uses every opportunity available—from cookie gift baskets for friends to emergency cookie runs in support of her busy co-workers—to share her love of cookies. With more than 16 years in a variety of corporate roles, most recently in high tech, Kathy is a communications and human resources expert. Cookie Stories is her first book.
