Janet K. Keeler : CookieLicious: 150 Fabulous Recipes to Bake Share (One Tank Trips) before purchasing it in order to gage whether or not it would be worth my time, and all praised CookieLicious: 150 Fabulous Recipes to Bake Share (One Tank Trips):

3 of 3 people found the following review helpful. Who wants a cookie?By Lyn MatasciEvery cookie you ever wanted to eat! Beautifully organized, collected, and organized in this must have book. This would be a great wedding gift.4 of 4 people found the following review helpful. FabuliciousBy CustomerI'm not exactly objective when it comes to

cookies and cookie cookbooks, but I was impressed from the get-go with this book. Easy directions, great pictures and delicious results. The most usable cookie cookbook I have. I give it as gifts to friends who love cookie baking too. 0 of 0 people found the following review helpful. Five Stars By Diane Butler My daughter loved the recipes. Plenty of variety and easy to make.

Life's short: eat cookies! I have tasted every single one of the book's recipes and can personally vouch for their wow factor, says Janet Keeler, Food Travel Editor of the St. Petersburg Times. And perhaps more importantly, says the award-winning writer, I am not alone in my assessment. My very willing husband and confirmed chocoholic son - not to mention eager fellow journalists and friends - never once turned down the opportunity to try the latest concoction and state their opinions. Keeler, an admitted cookie addict, created, gathered, and tested more than 5,000 recipes from her own recipe box and those suggested by her loyal readers. She finally chose the 150 best recipes for this collection. The result? A cookie cookbook of the most scrumptious cookies ever published! Each cookie is pictured in full color in a lay-flat format, and Keeler includes plenty of hints and techniques for no-fail baking. Easy-to-follow instructions cover all skill levels, from first-time to seasoned baker. Ingredients are readily available in supermarkets, and there is no need for exotic equipment. This cookbook has cookies for every occasion and every holiday, promises Janet. I have noted the 'freezability' of each recipe so you can bake a batch ahead and have a cookie delicious day at a moment's notice!

Cookielicious [is] a \$19.95 trade paper original by St. Petersburg Times food editor Janet K. Keeler, who served as a Pillsbury Bake-off judge. The book is reminiscent of Martha Stewart Cookies... [which] plays up the simple pleasure of cookies. In his introduction, Esquire food and travel columnist John Mariani calls Cookielicious "an ebullient collection of cookies that share one thing in common-- they look, smell, crack, break apart, crumble and delight, from the moment you lay eyes on them." --Publishers Weekly (By Lynn Andriani) While it doesn't help me whittle my waistline post-baby it has been fun trying out a few of the many recipes included in this cookie cookbook. Filled with pretty and delicious photos, Cookielicious is a great gift for anyone who loves to bake and/or loves cookies. Each recipe doesn't just give a list of ingredients and how to make the cookie but whether or not it will freeze well for later consumption. I loved that! I had great success making the Buckeye Bars as my first recipe. They tasted amazing and were a huge hit with my family. They were also fun to make with my daughter. I love Cookielicious and think it makes a great gift for a baker or cookie lover. --Mummy's Products (Blog By Victoria Eamason) Snickerdoodles and thumbprints, gingersnaps and cutouts. Most families can name on or more best-loved Christmas cookies, many of which have been cherished for generations. This time of year, the aroma of favorite holiday cookies baking in an oven can evoke mighty memories of Christmases past. -- While it doesn't help me whittle my waistline post-baby it has been fun trying out a few of the many recipes included in this cookie cookbook. Filled with pretty and delicious photos, Cookielicious is a great gift for anyone who loves to bake and/or loves cookies. I love Cookielicious and think it makes a great gift for a baker or cookie lover. --Mummy's Products (Blog By Victoria Eamason) Snickerdoodles and thumbprints, gingersnaps and cutouts. Most families can name on or more best-loved Christmas cookies, many of which have been cherished for generations. This time of year, the aroma of favorite holiday cookies baking in an oven can evoke mighty memories of Christmases past. "Cookies have power," says Janet K. Keeler, author of "Cookielicious." "They bring people together more than any other sweet treat." With holiday baking getting under way, perhaps you would like to try new recipes to add to the enduring favorites. If so, Keeler's just-released softback is a must. Beginning bakers will appreciate Keeler's ample selection of streamlined recipes that include packaged products, such as a store-bought sugar cookie mix. Seasoned bakers will enjoy the fussier recipes that involve a few more steps and ingredients. Canton Rep.com (By Staff Writer Jennifer Mastroianni) Janet Keeler, the food and travel editor for the St. Petersburg Time, knows a lot about cookies. The hands-on edition has easy-to-follow recipes for each variety, as well as a photograph of the completed cookie, assuming you really care what they look like. Even if you are not a cookie addict, this book is essential for bake sales, house warming gifts, get-well baskets or any occasion that calls for a cookie. With Janet's help, anyone can be a success with cookies. Some recipes don't even require baking. Tampa Bay Magazine Doesn't baking Christmas cookies just get you in the mood? In my family, we always bake the traditional cookies - chocolate chips, sugar, peanut butter, oatmeal. But I also have some new recipes, courtesy of a cookbook titled "Cookielicious" by Janet K. Keeler, food editor at the St. Petersburg Times. So, here we go. Try something different from this fabulous fun cookie book. The peanut butter treats are my favorite. Don't forget - homemade treats make great Christmas gifts. Daily Gazette (By Grace Whitten) "Cookielicious" by Janet Keeler is a hunger inducing book that can only be sated with scrumptious cookies. With 150 delectable recipes, there is a cookie for everyone in this book. Each recipe is concise and easy to make, and sometimes the recipes will include tips for the cookie. All pages are simply and without clutter and allow you a space to take notes. In the middle of the book, there are pictures of all the cookies you can make.

While the book includes cookies that all people are sure to enjoy, there also is a special children's section. The New's Herald When I saw this cookie recipe for Candy Cane Gingersnaps, I was wowed. This awesome cookie cookbook is a compilation of reader's favorites and staff original recipes. What a great holiday gift idea! Chapters include "Anytime Cookies," "Sharing Cookies," "Chocolate Cookies," "Kids Cookies" and "Holiday Cookies" with recipes such as Lemon Raspberry Thumbprints, White Christmas Shortbread, Chocolate Walnut Puffs and more. Ingredients, Inc. (Blog by Allison Lewis) Celebrate the sweetest season of giving with new treats from "Cookielicious." John Mariani, food writer and travel columnist for Esquire magazine... wrote "I suppose there is such a thing as a bad cookie but you won't find any in this collection." This is a book that inspires baking. I couldn't put it down. You may have your favorite when it comes to cookies, but I know you'll add a few new recipes to the list after you see "Cookielicious." Telegram (By Barbara Houle) -- About the Author Janet K. Keeler is the award-winning food and travel editor at the St. Petersburg Times in St. Petersburg, Fla. Her work has been recognized by the Association of Food Journalists, the Society of American Travel Writers, the Society of Newspaper Design, the Society of Professional Journalists and the American Association of Sunday and Feature Editors. Her story, The Crock-Pot That Saved Dinner Time, appears in the collection Best Food Writing 2001, an anthology of work by American writers. She learned much about competitive cooking as a judge of the Pillsbury Bake-Off in 2004. She has been a working newspaper journalist since 1980, holding a variety of editing positions and covering several beats, including education and government. Janet and her husband, Scott, a Times photographer, have one son. Their St. Petersburg kitchen is the testing ground and photo studio for much of her work.
