0 of 0 people found the following review helpful. Cookie cookbook By AshleyI received this as a Christmas gift but thought I'd share my thoughts. This book has tons of recipes and pictures which is nice, but nothing that really tickled my fancy to want to bake them. Tons of variety and flavor profiles to go with, though

A fantastic kit box containing a cookbook about making, baking and decorating 300 cookies and bakes, shown step by step in 650 photographs, together with a set of 6 shaped cutters to get started.
