Excellent choice couldn't have done better my self.By Paul MottonI have been looking for this one recipe that appears in this book and it seems no where else so I appreciate the fact that I was able to discover and purchase the book through so thank you.Regards Paul.0 of 0 people found the following review helpful. Five StarsBy carolyn l korbGreat8 of 11 people found the following review helpful. A waste of \$8.By A CustomerThe book jacket claims to "share the secrets of the Cordon Bleu's famous kitchens." Hardly. Since when are Toll House cookies a secret special recipe?There are no special techniques taught and the cookie recipes are readily available in any cooking magazine or even in your grandmother's Good Housekeeping cookbook.A better alternative would be Rose Levy Beranbaum's cookie book or ANY other cookbook!
