Etha Margaretha Trezise : Cookies Decorating Book: 50 Cookie Designs - Step by Step before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookies Decorating Book: 50 Cookie Designs - Step by Step:

Synopsis: My name is Etha Margaretha Trezise, born in Jakarta and raised in Makassar Indonesia. I am a self-taught cake, cake pop and cookie decorator. In this book I will review and discuss the details of decorating cookies, the names of the equipment and its use, how to bake cookies, cookie decorating techniques, cookie and royal icing recipes and a variety of tips that can be very helpful. Included are 50 cookie designs ranging from easy to diffi cult and as well as ideas to make cookies as party goody bags or party treats. To follow instructions and learn from this book is very easy, as I explain not only with words but also with detailed pictures. This will help you to learn following step by step in this book. Through this book I hope to share the knowledge, tips, recipes and techniques that I have gathered with

anyone who wants to learn about Cookie decorating. Most important, to convey my personal experience that has been proven: Anyone is able to make a beautiful creation that tastes good without having an education from a culinary school, as long as one has the desire I am sure after learning to bake and decorate cookies through this book, you can create any cookie design as you wish.
