**Muriel Miura : Cookies From Hawaii's Kitchen** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookies From Hawaii's Kitchen:

3 of 3 people found the following review helpful. Nicely Presented Recipe CollectionBy OwlchickThe best thing about this cookbook is that it is spiral bound!It's also a downside, as there are so many pages you'll have to fuss with them to get the book to lie flat. That's not such a horrible thing when it comes to it, but still...I find myself wishing they'd used a slightly larger book comb so the pages turn easily.There are a lot of local kine favorites in this: Russian

Tea Cookies, Almond Cookies, etc. Also those mysterious cookies that simply must be Hawaiian because they have either macadamia nuts OR pineapple in them (but are probably good anyway). In addition to recipes, the book has excellent bits about substitutions and baking tips that I was pleased to see in a small book like this. It's definitely well worth the price, whether for oneself or as a gift. I've already made note of the various cookies I'll be trying out very soon! 0 of 0 people found the following review helpful. Nothing complicated which is a plus. By T-dog Good recipes in this book. Nothing complicated but tasty.

Auntie Muriel shares a variety of cookie recipes that will satisfy any craving. Experience the diversity of cookie baking from bars, drops, or decorated cookies to slice bake, press shape, and roll cut-out cookies. Learn how to make cookies without ever going near an oven! In addition to 120 recipes, *Cookies From Hawaii's Kitchen* includes tips on buying fresh ingredients, techniques such as mixing and forming the perfect dough, whipping up homemade frosting, baking ahead, storing, freezing, and - for those who like to bake for others - packing cookies safely for a care package or wrapping them into a party gift.
