Jacqueline Bellafontaine : Cookies Galore before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookies Galore:

0 of 0 people found the following review helpful. Five StarsBy CAGreat pictures and recipes5 of 6 people found the following review helpful. disapointedBy FlaviaI was really disapointed by the recipes... the pictures are great (only half the recipes have a picture tough), the layout too, but the recipes are bland... I specially resent the constant use of fondant to cover the cookies...9 of 9 people found the following review helpful. Pretty but it doesn't flyBy A. PowellThis is a very attractive cookbook. The illustrations are gorgeous, the cookies LOOK great in the photos. The problem comes in making the recipes. The first I chose (Rocky Road cookies) described the cookies as having wonderful coconut flavor. Reading the ingredients list I doubted very much that there was ANY coconut flavor and that was okay, I was baking for an event and many folks do not love coconut. I made them, they were excellent and gorgeous. And did NOT taste at ALL of coconut. Typo maybe.I decided to try another recipe. This time I picked Smilies. I wanted to bake with my 3 year old daughter and this seemed the perfect recipe. Again, the ingredients list is

a clue. There is nothing to bind the dough together enough to cut shapes and nothing but sugar and butter to flavor the "vanilla" portion of the dough. Since I had a child who wanted to cut out cookies I decided to add a beaten egg to the dough and it worked just fine, but they taste very bland. Not sure I am going to try another round with this book - the results are just too mixed to be worth it. I too collect cookbooks and own many, nearly all baking. This is one that I would not recommend.

Cast your mind back to your childhood days and awaken your senses and memories with this heart-warming compendium of mouth watering and irresistible cookie recipes. From old staples like Double Choc-Chip Cookies, Oatmeal Raisin Cookies, to giant Tangy Cream Cheese Bars and Savory Whirls, you'll always be able to find a cookie to cater for all tastes and occasions. With over 120 recipes and loads of fabulous and inspiring photographs this book is the ultimate cookie book.

About the Author Jacqueline Bellefontaine is a member of the Guild of Food Writers and the author of eight cookbooks, including *Homemade Cookies for Spruce*. She is a freelance food writer and home economist working for various food magazines in the UK.
