Elizabeth Wolf-Cohen : Cookies: More Than 100 Irresistible Recipes (Little Chunky Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cookies: More Than 100 Irresistible Recipes (Little Chunky Guides):

1 of 1 people found the following review helpful. Great book with Great Recipes!By MizzKatMy mom borrowed this book from a friend and really wanted her own. She loves it! It has some mouth-watering cookie recipes and makes you want to bake some right away!

Cookies are eaten the world over: German cookies are redolent with spices; English biscuits are natural partners to a cup of tea; Spanish cookies are pinwheel slices of vanilla and orange. And the American cookie -- originally borrowed from abroad -- has evolved into something uniquely American. Cookies explores the cookie's great heritage, with 400 color photographs and new and unusual recipes that will add delicious variety to the contents of cookie jars around the world.
