Corner[[VIDEOID:mo1U3X6YPYLR134]]This cookie cutter is great! Never seen anything like this before. There is really almost no dough leftover. The recipes are tailor made to the cutter. But there are also American classics in the book. Enjoy your holiday baking time with this cookie cutter!

The holiday season wouldn't be complete without them? Christmas cookies made by hand. Cookies Quick and Easy features 40 different recipes, 30 of them especially meant for cutout cookies, and 10 American classics. The appealing photographs will further whet your appetite for holiday baking. Whether you use cinnamon, vanilla, orange, aniseed, or coriander, the irresistible scent of homemade treats baking in the oven is equally tempting for children and adults. What makes this baking book special is the cookie cutter that comes with it, which lets you cut out 34 cookies at once with almost no wasted dough. Especially in the busy days leading up to the holidays, that can save valuable time.
