The recipes are clearly written, the photos are great and the results are delicious! You will find recipes for all of the standard holidays (Christmas, Valentine's Day, Halloween, etc.) plus many other recipes from everyday items like oatmeal cookies to specialty cookies from long ago times. This is a marvelous book and a must have for anyone who loves cookies!0 of 0 people found the following review helpful. ... my previous copy out(never getting it back) and was pleased with the conditionBy Patricia ScarolaI loaned my previous copy out(never getting it back) and was pleased with the condition, price and prompt delivery of this replacement. Taylor Barber My mom had this same cookie book and I always loved finding the different cookies and baking them. Always delicious recipes. Wanted the same cookbook for my own collection and was glad I found this one on . Got book fairly quickly and book is in better condition than my mother's same book. LOL

Here are hundreds of delicious recipes for all types of cookies. Includes step-by-step color photo sequences and storing guidelines.
