Paul Higham : Cooking Chinese Takeout food at home: A must for lovers of takeaway food before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cooking Chinese Takeout food at home: A must for lovers of takeaway food:

1 of 1 people found the following review helpful. Reading not cooking use By Kyle Baker Good introduction to chinese

cooking but don't expect to use this on your kindle for cooking as it takes too much juggling to figure out what you're doing in order to cook and read at the same time. 1 of 1 people found the following review helpful. Book is OK, just not on the KindleBy CustomerThe book is OK, but The whole cookbook format does not work for me on the kindle. Somethings are better in hard copy.- Don't let this take away from the contents of this book. It is a pretty good book. 1 of 1 people found the following review helpful. Homemade TakeawayBy DGMLots of recipes, easy to follow as described. Recipes really do come very close to the takeaway you buy. YUM

Have you ever eaten takeaway food from a Chinese Takeaway and wondered if it was possible to make it at home in the comfort of your own kitchen?. Well the good news is that it is easily possible with just a few ingredients to completely replicate any authentic Chinese Takeaway dish. This book contains recipes directly from Chinese Takeouts and is a fascinating and useful book to recreate the perfect takeout meal at home.
