**Marcia Adams : Cooking from Quilt Country : Hearty Recipes from Amish and Mennonite Kitchens** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cooking from Quilt Country : Hearty Recipes from Amish and Mennonite Kitchens:

1 of 1 people found the following review helpful. Everyone needs this cookbook on their shelf.By vtblumeAwesome! I had to have this cookbook after a co-worker brought in the Oatmeal cake to a potluck. OMG! Then I made it at home - yum. And then I made it again to take and share with another group - yum. Lots of folks asked and seemed like many were going to be getting this cookbook for their very own. I will admit I have yet to branch out to other recipes, but

they will be amazing I am sure. My co-worker (the one who originally introduced me to it) has made several things and has raved about them all. 2 of 2 people found the following review helpful. and I'm SO happy to have another copy back in my kitchen By S. Meyer I lost my well-used copy of this cookbook in a house fire years ago, and I'm SO happy to have another copy back in my kitchen! It is crammed full of tasty, accessible, family-friendly recipes that can be made without having to hunt specialty shops for food-snobby ingredients. And the stories and photos make it a pleasure to read. Granted, I have a food-snob streak in me a half-mile wide, but this is still an all-time favorite that I highly recommend! 3 of 3 people found the following review helpful. Fantastic recipes!! By Renee Shafer This cookbook is fantastic. Here's a tip, use the Cinnamon Roll recipe and you'll be a huge hit with friends and family. The roll recipe is seriously the best I've ever had!! My husband makes them on Christmas morning and it's become a classis tradition. The price of this book was unbeatable and it was in excellent used condition. So happy with this purchase!

Includes nearly 200 family recipes from America's heartland, a culinary folk history of the Indiana Amish and Mennonites. This celebration of farm life is a companion volume to the PBS series hosted by Adams. 64 full-color photographs.
