Nina Froud : Cooking the Japanese way before purchasing it in order to gage whether or not it would be worth my time, and all praised Cooking the Japanese way:

Imagine fashioning cherry blossoms from carrots or dardboiled eggs, or transforming a platter of fish and vegetables into a perfect, delicat representation off a Spring landscape. Experiment with the pleasures of serving sukiyaki, that most succulent of dishes, at an intimate 'friendship' dinner. Or try making crisp delicious tempura tit-bits to delight your guest aat your next paarty.
