Good Korean cook book for all ages By John Mitchell We enjoyed it so much that we also bought one for our half Korean grand daughter to cook with her mother. When helping at her school she also lent the book to other mothers to use in helping their children cook. 0 of 0 people found the following review helpful. Best Korean cook book ever By Lila Very through book for cooking great instruction . Excellent condition the book was in . Would recommend this book to everyone interested in cooking Korean food 0 of 0 people found the following review helpful. Perfect entry! By Holly Schomer Written with children in mind. However as a novice to Korean cuisine this is a perfect entry into it. I enjoyed using this so much I repurchased for gifting.
