**K Birch : Cooking with Beer Season by Season** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cooking with Beer Season by Season:

LaSpadaNot for the American traditional everyday cook/beer enthusiast.Recipes have uncommon ingredients.Beers used are better off drunk than wasted in food recipes in my opinion."The Bartenders Beer Cookbook" is still the best cooking with beer book an the market.Written by/for English style recipes (should have known from the price on the back cover in pounds).Recipes are complex and for elegant meals, not for cooks who like to have food in less than a half hour.If you want a great higher end American

cooking with beer book, opt for "The Best of American Beer and Food: Pairing Cooking with Craft Beer"

Cooking can benefit greatly from the exotic, and subtle, tastes in traditional beers. Now becoming quite fashionable, cooking with beer in the United Kingdom has been pioneered by a small group of chef-landlords with true knowledge of beer culture. Ken Birch is one such. Recipes are presented for Spring, Summer, Autumn and Winter. Each recipe contains a list of ingredients, cooking methods, and suggestions for serving. Importantly, there are also recommendations for beers as ideal liquid accompaniment for the food. Ken Birch attended catering college for two years, and then worked in catering for six years, including a spell part-time teaching. Leaving cooking for 25 years, he finally returned to kitchen duties, when from 1992 he ran various pubs in the Manchester area, eventually combining beer and food at The Kings Arms, Salford. In 1999 Ken was invited to submit recipes to Opening Times, a local CAMRA newspaper. The column continues to appear and most recipes in this book have evolved from the Ken's Kitchen column.
