Scott E. Power : Cooking With Sourdough In The Backcountry: Tips, Tales And Recipes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cooking With Sourdough In The Backcountry: Tips, Tales And Recipes:

Whether you haven't yet become skilled at cooking in a campsite or cabin, and would like to give it a try, or, you are familiar with backcountry cookery, and are looking for ideas to freshen your repertoire, this book is for you. Here you'll find a wealth of information: fires and stoves, ranging from an open campfire to a backpacker's stove and a cabin wood stove; ovens for baking, some ready-made, others fashioned from cooking pots; containers for sourdough starter; sourdough ingredients (flours, fats, leaveners, sweeteners); making and maintaining sourdough starter; helpful tips on ensuring baking success, learning how to "make do" with minimal equipment and ingredients, caring for stoves, and much more; 42 tasty recipes. There are goodies here for every meal as well as for snacktime.
