The Jury is Still OutBy CustomerTo be fair, I've only made one recipe and look forward to trying some of the cookie recipes (esp. snicker doodle and pine nut). I got this b/c my husband loves their vanilla/choc chip cookie sandwiches sold in stores. I've tried twice now the eggless vanilla recipe. First, as written. It did not freeze (I have the standard Cuisinart). I think this is due to 2 reasons: 1: the recipe says you can use it right away, despite dissolving sugar on low heat and 2: the volume produced.. I tried the recipe a second time and refrigerated the base over night.. I also added less to ice cream maker than both Cuisinart and the book recommended..this time it froze well.I've had much better luck with Jeni's Homemade Ice Cream recipes. Her book is great and you can get her recipes online... Both the making (easy) and texture have been better than my experience thus far. I don't think I'll go through the bother of trying another ice cream recipe from Coolhaus.. but will try to cookies..0 of 0 people found the following review helpful. Five StarsBy Jane A. From a beat-up postal van turned food truck, Coolhaus has rocketed to a national brand. Yahoo! called it "the best ice cream in America." The inventive sandwiches, named after famous architects, are sold in supermarkets across the country, as well as from trucks in Los Angeles, New York, Austin, and Dallas. Coolhaus has drawn accolades from the New York Times, Every Day with Rachael Ray, Time, and Good Morning America, to name a few, and from such celebrities as Will Ferrell, Jimmy Kimmel, and Alex Guarnaschelli. Now the owners part with the recipes for their coolest creations, like the BuckMINTster Fuller (Dirty Mint Chip Ice Cream with Chocolate Chip Cookies) and the Frank Behry (Strawberry Gelato with Snickerdoodles). Daring flavors range from classic (Cookies and Sweet Cream), to boozy (Bourbon Manhattan), to vegan (Lychee Martini), and even savory (Fried Chicken and Waffle). Sandwiched among the treats are tips on ice cream making, profiles of major and up-and-coming architects, and amusing tales of the owners' forays into the ice cream business.
