Chris Burnette, Elise Coulter Burnette : Coulter Payne Farm Distillery's 101 Uses for Moonshine before purchasing it in order to gage whether or not it would be worth my time, and all praised Coulter Payne Farm Distillery's 101 Uses for Moonshine:

1 of 1 people found the following review helpful. Become a Moonshine trivia master !!!By CavnoeThis book is very well organized and informative. The uses are counted down for you in the book with neat little mason jar drawings containing numbers. The information is a mixture of facts and folklore that will keep you turning the pages. The recipes for drinks and dishes that moonshine can be added to look pretty interesting. I am not a drinker but this book

kept me interested and entertained. I would definitely recommend this book to a friend or give it to a book lover as a gift. 0 of 0 people found the following review helpful. this a a great book for the Moonshine lover in your lifesBy Angelique ChaseThis book is a plethora of trivia and fact's as well as a few recipes .. I might have Giggled at a few of the uses .. Conflict resolver or truth serum might be two of my favorites.. this a a great book for the Moonshine lover in your lifes .. give it to them with a jar or two of shine

Treat yourself to a tongue-in-cheek?but very practical?glimpse intothe world of moonshine, from its history and American heritage to itsuses and creation today. These 101 ways to interact with moonshine are wide-ranging and include practicalhousekeeping hints (glass cleaner, anyone?), medicinal uses, recipes, and more. Coulter Payne is a farm-to-bottle distillery?that is, it not only makes spirits, but also grows its own ingredients. Dozens of photos offer a glimpse into the daily world of this small craft producer's operations on the farm as they bring moonshine, vodka, and bourbon to America. In these pages you'll enjoy learning about moonshine's benefits and potential applications, and understanding what it means to produce a farm-to-bottle, artisanal distilled spirit. This great resource for adventurous foodies, homesteaders, and home distillers will bring whiskey out of the backwoods for the rest of us to enjoy.
