It has been a favorite for years and now buying for my daughter in law! 1 of 1 people found the following review helpful. Tried and true By GI have had this book for a very long time. All the recipes I've followed have had great results. This order is requests by friends for the cookbook after eating my pies. 0 of 0 people found the following review helpful. Five Stars By isabella These recipes are wonderful.

From Library Journal Yockelson's country pies are simple and uncomplicated, using seasonal produce and ingredients whenever possible. Her summer recipes include lots of berry pies; autumn's selections feature pumpkin, squash, and fall fruits; winter pies make more use of "goods on hand," in cream and custard fillings; and the spring recipes highlight lemons and limes and the earliest fruits. The recipes are good enough, but other pastry books include most of these 50 pies and much more (Yockelson uses only two pie crusts); for large collections.
