Five StarsBy Susan TremblayGreat gift for the beer fan! Nice way to document all the varieties tasted.

A craft beer tasting journal with room to record the color, aroma, taste, body, overall rating, and much more information on 100 beers. Great for the seasoned craft beer enthusiast, as well as those that are new to the wonderful world of craft beer. Convenient 6 x 9 paperback size makes it easy to carry to beer tastings and microbreweries. Also contains a brief history of beer, information on styles of beer and off flavors, and instructions on how to taste and evaluate beer.
