The Craft Beer Tasting Kit is the perfect excuse to get a group of friends over to share some great beers and good times. Attention all craft beer fans, you must have this brilliant box set in your life, because if you've ever needed a valid reason to enjoy some delectable brews, this kit is it. Containing 200 tasting notes to fill in, a flavor wheel to help you identify the tastes you are experiencing, some specially designed beer mats, and even a bottle opener to crack open a few bottles, the only thing you will need to do is supply the beers to try. To get you started, a 64-page book explaining the brewing process, how to taste beer, and a guide to different beer styles is also included. The kit is brilliant for social gatheringsmdash;beer-tasting parties are great fun and perfect for sharing some of the amazing craft brews that are on the market. They also provide the perfect excuse for popping the cap on a few of those bottles of beer yoursquo;ve been saving for a special occasion.
