A COOKBOOK STAPLE FOR THE KITCHEN COOKBOOK SHELFBy The Queen of Bean StationI was fortunate to be able to "steal" this book at an unbelievable price and now that I've enjoyed reading it, I can't wait to try some of them. I'm sorry I didn't know about this book earlier or have the benefit of of using it while my children were young.This book should be a kitchen staple for the COOKBOOK shelf and frankly, I would have paid full price for this book, or even more, as I believe it is that useful.The pictures are beautiful and the process to reproduce the pictures do not appear to be that difficult for the "WOW" factor these cakes will make when you present one.I believe this book is certainly worth the 5 star rating as it is very thorough and easy to read.0 of 0 people found the following review helpful. Great book for beginners.By CustomerI enjoyed the book overall. The idea of repetitive cursive letters as trim is a fabulous find for me. I also like her recipes.1 of 1 people found the following review helpful. Simply awesome!!By Cake LadyIf you want to create cakes to delight the special people in your life, this is it. Using writing movements to make borders, etc. is an ingenious idea since everyone

already knows how to make "a", "e", and "c" (and all the other letters, too!). I made "Sweet Lullaby" on page 100, a darling cake with a sleeping baby doll under a blanket. The expectant mother was thrilled with this inventive cake. And the rest of the ladies raved about it, too! I changed the colors to please the mother-to-be, and I used my own icing recipe which uses very little sugar. The book is great to jump-start the brain. The creative juices flow, beautiful cakes result and the recipients are blessed. To God be the glory, great things He has done!!!

Jill Foster makes cake decorating as easy as writing your name. With her unique write-way method, if you can write your name you can decorate a cake. Anyone can make beautiful homemade cakes like the ones seen in magazines. This full-color, illustrated book includes a DVD demonstrating the original, handwriting-based, cake decorating techniques and offers tools, tips, and creative ideas for all sorts of holidays, including birthdays for all ages, religious events, baby showers, bridal showers, and weddings.

About the Author Jill Foster is an expert of cake decorating methods. She has over 20 years of experience and was a professional cake decorator for bakeries and caterers for six years. Now a children's minister and mother, Foster continues to make her beautiful, professionally styled cakes for friends and family while sharing her sensational method with America in her first book.
