Susan Martineau : Creative Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Recipes:

Gruesome, gross, and creatively-fun recipes in a cookbook shaped like a pizza From homemade pizza with ghoulish toppings through spider-topped fairy cakes, to severed fingers in a bun, these recipes will shock and surprise your friends—especially because they're so yummy! Included are recipes for monster pizzas, prehistoric sandwiches, dung buns, bony biscuits, and many more!

About the Author Susan Martineau is a children's author whose books include 50 French Phrases, 50 Spanish Phrases, and Slimy Science andnbsp;Awesome Experiments.nbsp;Martin Ursell isnbsp;an author andnbsp;illustrator of children's books including The Big Book of Experiments and Activities, Dragon Boy, andnbsp;You Can Draw Wild Animals.
