Now that she is home, she has been actively baking the recipes and the family has been enjoying the fruits of her labor.

Cupcakes bring joy to both children and adults alike on many occasions. This attractively packaged book celebrates

those small, seductive cakes by providing bakers of all abilities with 50 inspiring cupcake ideas that can be whipped up at a moment's notice. It includes a wide variety of cupcake recipes from mom's favorites like Mars Bars to the unusually tasty, such as Mexican Mole. It also includes delicious allergy-friendly, gluten-free options, such as Sweet Courette, Saffron Butterfly, and Roasted Sweet Potato. Festive cupcakes are also featured to help prepare for the holidays. Each cupcake is accompanied with a beautiful photograph to demonstrate the end results. With this book, you'll be able to find a cupcake that will intrigue everyone and rise to any occasion.
