Here, in Cupcakes Forever, they share recipes for their (literally) world-famous cupcakes, which are fantastic, and so is this book. It's beautiful, about 5.5" square, with a deluxe soft-bound binding. It features glorious photography and matching layout and design throughout. So far, my family's favorites are the lemon poppy-seed, the maple syrup, and the famous banoffee which has a caramelly banana flavor that reminds me of a banana foster dessert. There are lots of tips in the basics section, and 7 chapters with dozens and dozens of gorgeous + delicious recipes classic collection, fruits and flowers, sugar and spice, cookies and candies, divine desserts, cocktail hour, and after dark, which includes decadent and inventive chocolate desserts.
