**Ingrid Hancock Bjerknes : Cupcakes: The Complete Guide to Making Beautiful and Delicious Cupcakes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cupcakes: The Complete Guide to Making Beautiful and Delicious Cupcakes:

5 of 5 people found the following review helpful. looks will fool youBy Crazy88Line CookThe cupcakes in this book look lovely and delicious but too often when made according to the instructions given; they turned outto be somewhat dry and tasteless. The frostings are good but too time consuming. I was really disappointed in the champagne and strawberry recipe because there was really only a strawberry flavor. A beautifully photographed book but there are other,better cupcake specific books on the market especially in the states.3 of 3 people found the following review helpful. Good ideas BUT....By L. R. McMullenGood recipes but as I flipped through the book I noticed that some

measurements are missing, mostly for margarine. I will reread the "Before you begin" section but think measurements should be printed with recipe. 0 of 0 people found the following review helpful. Five Stars By Sheryl Celestine great ideas and helpful

Cupcakes have been a huge craze in the last few years and now you can make delicious and professional-looking cupcakes at home! Inside are more than fifty recipes for delicious cupcakes—decorated with icing, sugar balls, and pearls—to suit every occasion. Step-by-step photos teach you how to decorate your delectable desserts with homemade frosting, a variety of sprinkles, and hand-rolled marzipan flowers. Recipes include: • Berry cupcakes • Marshmallow cupcakes • Sports cupcakes • Mojito cupcakes • Monster cupcakes • Princess cupcakes • Vanilla cupcakes with colored frosting • Baileys cupcakes • Espresso cupcakes • Caramel cupcakes • And more! Now you can create these fun and delectable treats for any special occasion, including girls' nights, weddings, picnics, holidays, New Year's parties, meetings, housewarmings, birthdays, and more! Stop ogling those fancy-looking store-bought cupcakes and start making your own mouthwatering sweets!

About the Author Ingrid Hancock Bjerknes is the entrepreneur behind the success of Hancock Cupcakes in Norway. During her studies at the University of California, Berkeley, she was fascinated by the popular cupcake craze and decided to take it home to Norway. In June 2009, she established Hancock Cupcakes, which makes custom cupcakes for businesses and private individuals. Marte Garmann is a freelance photographer living near Oslo, Norway.
