I'm still learning how to make curries, and this is an essential part of my cookbook collection.8 of 8 people found the following review helpful. Absolutely amazing! I love this book!By A. B.I had this book on my wishlist and got it for Christmas. I couldn't be more pleased. I made Kashmiri Chicken Potatos with Saffron Rice last night and it was delicious! The recipes are very easy to follow. Don't let this book fool you, not only are there tons of curry recipes, but rice bread veggie recipies as

well. This book also shows you how to make your own curry pastes and powders as well as an "about" section for the exotic and even not so exotic ingredients you'll be using. I'd highly recommend this book for anyone who is a connoisseur of far eastern cuisine. 0 of 0 people found the following review helpful. Excellent source for people who love curry but haven't had ...By NorinordExcellent source for people who love curry but haven't had enough basic thorough knowledge to dare attempt making it! This book tells enough to give you the courage to make an attempt!

The definitive guide to mouthwatering, authentic curries from India and South-East Asia, with 700 photographs.
