Tony Russo : Delaware Beer (American Palate) before purchasing it in order to gage whether or not it would be worth my time, and all praised Delaware Beer (American Palate):

1 of 1 people found the following review helpful. Nice overview of the current Delaware beer scene By Maurice Abbott I enjoyed this book by Tony Russo. It gave some history of DE beer but really explained the recent resurgence of breweries and how they have evolved.

Boasting a brewing history older than the United States, Delaware packs an outsized punch in the craft beer scene with its landmark breweries and bold flavors. In 1873, the German lagers of Wilmington's Diamond State brewing rose to dominance. After Prohibition and the bust of the first craft beer bubble, entrepreneurial homebrewers resurrected the industry. Sam Calagione of Dogfish Head led the charge by rewriting the state's beer legislation, and the field opened to other brewpubs like Stewart's and Iron Hill to pair savory bites with their brews. By 2009, production breweries like 16 Mile and Fordham Dominion were on the rise, changing the arc of Delaware beer. Beer writer Tony Russo tells a story of big risks and innovative brewers and proves that there has never been a better time to drink local.

"Delaware Beer is an entertaining, informative read for craft beer fans, but it's also an important chronicle of an emerging industry. It offers a rare look into the inner workings of numerous competitors (which, admirably, seem to regard themselves more as independent partners) as they evolve from shaky start-ups into stable, young companies. [...] Tony Russo has performed a vital, valuable task in documenting the local movement's early years." Peninsula Roots "Tony Russo has written a worthy addition to the bookshelf of anyone interested in the journey beer brewers took in the state of Delaware to get the beer scene where it currently resides today." The Dogs of Beer About the Author Tony Russo has worked as a journalist since 2004, writing and editing for daily and weekly newspapers and magazines, and most recently as editor of OceanCity.com. Tony has written about beer almost since the start of the craft beer revolution in the region. He co-hosts a popular, weekly podcast "Beer with Strangers" and runs the ShoreCraftBeer.com craft beer lifestyle website. He lives in Delmar, Maryland, with his wife and four daughters.
