I can't remember the last time I had such FUN recipe testing a book for my "Cookbook Corner"! I'm highly HIGHLY recommending this to everyone who loves to bake. And don't let "dump cakes" scare you away – it's great! Trust me...Let's start with QVC and "In the Kitchen with David". That's where I first discovered this book – and my interest quickly peaked when I seen David take a bite of the "Peanut Butter Cup Dump Cake" – and did his famous "happy dance". I had to learn more. And can we talk about Roxanne and Kathy?

They're so cute! As soon as I got the book – I flipped over it, and knew that I would love it. For those of you who are wondering about a cookbook using cake mixes to make “dump cakes” – just admit it already – you use them – and you love them. But – if you really would rather NOT use a cake mix, Roxanne and Kathy have recipes to make your own homemade “cake mix”. The recipes in this book are fun, festive, versatile and delicious! So many different flavor combinations are profiled in this book – from cakes with blueberries, lemon, chocolate, peanut butter, orange, cherry, strawberry, and on and on. The photos are fabulous, the recipes foolproof and delicious, and one of my FAVORITE recipes? The “Peanut Butter Cup Dump Cake” on page 81. When you get this book – TRY IT FIRST! 4 of 4 people found the following review helpful. Great recipes AND ideas! By Dimples 22 Love ALL the dump cakes I have thus far made from this book.
