Katy Dalal : Delicious Encounters: Innovative Recipes Parsi, Indian and Western before purchasing it in order to gage whether or not it would be worth my time, and all praised Delicious Encounters: Innovative Recipes Parsi, Indian and Western:

In this book, the Author has laid our breakfast, brunch, lunch, and tea time and dinner menus. There are recipes of Parsi, Indian, Continental and Chinese flavors, including some world famous recipes of European cuisine, slightly modified to suit India palates. There is a section on "Tandoor" cooking, be it chicken, mutton, fish, prawns or

eggplant, cauliflower and large stuffed potatoes for vegetarians.
