Dina Foglio Crowell : Delicious Mornings: Comforting Breakfasts Baked from Scratch before purchasing it in order to gage whether or not it would be worth my time, and all praised Delicious Mornings: Comforting Breakfasts Baked from Scratch:

0 of 0 people found the following review helpful. Dina's a doll! By Joyce Conlon Dina is such a great organizer and perfectionist when it comes to cooking and baking! I knew her when she was younger and now as a mother and wife, she is amazing at those motherly love qualities. Her work ethic is like non other, and it shows in her daily creations that we get to review and pick the best photo of her kitchen creations! This book is a wonderful reflection of Dina's personality and I am proud to own a copy! 1 of 1 people found the following review helpful. This will be a Christmas gift and I know the recipient will love it (and I'm hoping that person cooks some for ... By Alyssa @ Arts Crackers These recipes do look delicious! This will be a Christmas gift and I know the recipient will love it (and I'm hoping that person cooks some for me!) 0 of 0 people found the following review helpful. I love every recipe in this book By Megan F. I love every recipe in this book. I will be making a lot of the muffin recipes and freezing them.

Make the most important meal of the day the BEST meal of your day!
