Erik Verdonck : Delirium Tremens: The Successful Story of Brewery Huyghe before purchasing it in order to gauge whether or not it would be worth my time, and all praised Delirium Tremens: The Successful Story of Brewery Huyghe:

The story behind the beer brewed by one of the largest family breweries in Belgium, and its international success. Contains a list of all Delirium Tremens cafes. Brewery Huyghe, also known as 'The Brewery of Delirium Tremens' or 'The Brewery of the Pink Elephant', is one of the largest family brewers in Belgium. This book delves deep into the heart of this successful independent business. Discover its history, production processes, tasting profiles and food pairing notes. A must-have for any Belgian beer connoisseurs, or fans of the Pink Elephant.

About the Author Erik Verdonck is a partner of The Belgian Beer Company and author of beertourism.com, an online platform about Belgium, gastronomy and tourism. He has written several articles and books on beer and gastronomy.
