Johnny Iuzzini, Roy Finamore : Dessert FourPlay: Sweet Quartets from a Four-Star Pastry Chef before purchasing it in order to gage whether or not it would be worth my time, and all praised Dessert FourPlay: Sweet Quartets from a Four-Star Pastry Chef:

1 of 1 people found the following review helpful. Love the concept presented in this book! Definitely a "must have on my shelf" book. By CustomerThe concept of dessert with this book is fantastic. The best way to present dessert to family and friends! I recently used the concept with a 'Rib Coof-Off' at a family gathering and everyone went bonkers over dessert. I explained the Four Dessert concept and they thought it genius; besides getting more than ONE dessert served. I mean who wouldn't appreciate that! I would recommend if you are not already a "star pastry baker" to invest in Sugar Rush by Johnny Iuzzini first; or get them both at the same time. I am currently walking through Sugar Rush, going through it chapter by chapter and it has been an amazing learning experience. I will probably venture into Dessert FourPlay on occasion, too, once I feel a little more confident in my abilities. I lightly read through it, love the

combinations and how they are presented seasonally. Can't say for sure, but I have a feeling when I am done with these two books, I won't need to buy any other. I feel confident these will give me the experience I will need to create my OWN recipes. ;) 0 of 0 people found the following review helpful. fun to read but probably not practical By Peggy Jentoft I enjoyed looking at and reading this book and it shows well on the Kindle Fire . The recipes are probably more than a little to elaborate and esoteric for most of us mundane cooks but it is fun to read . 0 of 0 people found the following review helpful. Awesome Book--Awesome Recipes By Shop-a-holic I have hundreds of cookbooks, but this one, by far, is the best dessert book I ever purchased. It was worth every penny. I've used numerous recipes out of this book with deliciously fantastic results. I've also learned how to perfect my ice cream making skills by reading this cookbook. If you want to hone your dessert making skills--this is the book for you!

Consider the strawberry: its familiar flavor and texture; its fresh, sweet smell. Now imagine the same fruit distilled and carbonated for a refreshing soda, slow-roasted for a reinvented strawberry shortcake, made into a creamy strawberry ice cream and a chewy strawberry leather, and combined with coconut cream and crisp chocolate pastry. Alone, each dessert is a taste of paradise, but together this "fourplay," or tasting, created by Johnny Iuzzini, superstar pastry chef of the celebrated four-star restaurant Jean Georges in New York, is a sophisticated explosion of a familiar flavor that begins with the taste of strawberry rich on your tongue and ends with an effervescent tingle in your nose. Far from the conventional slice of cake at the end of a meal, Johnny's seasonal creations--four mini desserts in a quartet of complementary flavors and textures--are a culinary adventure. In *Dessert FourPlay*, he shares his secrets and inspirations, delivering standout recipes for incredible desserts that can be served alone or combined into his signature fourplay groupings, creating the perfect sweet finale for any meal. With the home cook in mind, Johnny offers tips on simplifying professional recipes and provides basic recipes for transcendent cakes, cookies, tules, ice creams, sorbets, graniteacute;s, and more. These building blocks can be used to create magnificent multifaceted desserts, or they can be perfect desserts by themselves. Some recipes have surprising versatility: the shiny smooth chocolate glaze Johnny uses to ice cakes doubles as the ultimate hot fudge sauce; a lemony madeleine batter becomes a layer in a cake. Iuzzini pairs cool with hot, crispy with creamy, sweet with spicy, and the expected--chocolate, strawberries, and cinnamon--with the unexpected--chiles, beets, and chocolatey puffs. The result: desserts that refresh, inspire, and satisfy beyond expectations. *Dessert FourPlay* invigorates all the senses and inspires home cooks to create innovative desserts of their own.
