Neha Prasad : Dining with the Maharajas: Thousand Years of Culinary Tradition before purchasing it in order to gage whether or not it would be worth my time, and all praised Dining with the Maharajas: Thousand Years of Culinary Tradition:

0 of 0 people found the following review helpful. I highly recommend, great for both history buffs and food connoisseurs By liuavakianWow .. the presentation of this book is as royal as the contents. Was way beyond my expectations, was well worth the price. I highly recommend, great for both history buffs and food connoisseurs. The book is so beautiful, a work of art, for the coffee table and not the kitchen table, so it comes with a accompanying paperback kitchen copy of recipes. A perfect gift to give and/or to keep. 2 of 2 people found the following review helpful. Gorgeous Book, front, back and inside.. By SAMIRA SINETHis book is both exotic, romantic and an incredible journey into India's historic culinary traditions. The photographs of the royal families of India are a treasure.. Beautifully shot and written very well.. this book is a rare treat.. both cookbook and coffee table book rolled into one.. along with a Kitchen copy of the recipes. how can one go wrong.. and the purple velvet cover makes it a joy to touch.. Kudos to the photographer and writer! 1 of 1 people found the following review helpful. Gorgeous By marc schermerhorn Brilliant, stunning, inspiring. This is a book for the weekend you want to cook a big feast with gorgeous

food for friends. Nothing is dumbed down, so it's a serious cook's book. Love it.

Exquisitely bound and beautifully illustrated - Dining with the Maharajas is the only book on the culinary traditions and lifestyles of the Indian royalty. Comes with a separate, lighter, paperback KITCHEN COPY of the recipes - to use to put together a royal banquet of your own without comprising the immaculate hardcover copy. Life in the royal courts of India revolved around entertaining. The palace kitchens were allotted massive budgets to ensure the highest quality of cuisine. Each state had its unique style of entertaining and food traditions - carrying forward these culinary practices are the modern day Indian royals. While the scale of the banquets may have shrunk the passion for food and the age-old family recipes remain. Dining with the Maharajas: Thousand Years of Culinary Tradition brings the invaluable legacy of Indian royals as ten families open up their palaces and homes to allow you a glimpse into their charmed lives that straddle tradition and modernity.

About the Author Neha Prasada is an author and journalist based in New Delhi. She has reported for the 'Times of India', 'The India Today Group', and 'Network 18'. She has written extensively on health, politics, governance, environment, and social issues. She is a contributing editor to the 'Architectural Digest' magazine. Neha has also worked as a media consultant on diverse projects which include a political campaign. She assisted in setting up the museum shop at the National Museum, New Delhi. With a keen interest in food and world cuisine, she is a closet chef and this is her debut book. Photographer Ashima Narain has worked as a portrait, fashion, advertising, wildlife, and documentary photographer. Her career graph in photography reflects her flexibility and diverse interests.
