It covers every I know and I am learning so much more... when you purchase a book like this you realise just how beautiful royal icing really is, and how much you can do with it. A best buy for sure...love the pics....0 of 0 people found the following review helpful. Nice bookBy Robin AllgoldI first saw this book at my local library and checked it out. This book contains many nice cake designs and other helpful cake decorating instructions. I am just starting my own cake decorating business and thanks to our modern world, I was able to purchase this book on-line. I am looking forward to using this book.0 of 0 people found the following review helpful. Beginners to Traditional Cake DecoratingBy MelissaThis is a great book for anyone who wants to start decorating. It's vintage, but the cakes look pretty if you like traditional style cakes. There is also a recipe for making poured fondant for anyone who wants a more modern look. It's nice. One tip if you're new to decorating: practice piping and flowers over and over on a sheet of paper before decorating the cake.

Hardcover: 184 pages Publisher: Wilton Enterprises; 1st edition (1979) Language: English ISBN-10: 091269615X ISBN-13: 978-0912696157 Product Dimensions: 10.9 x 8.7 x 0.8 inches Shipping Weight: 2 pounds
