Steve Ford : Do-It-Yourself Sushi (A DIY Guide to Japanese Cuisine) before purchasing it in order to gage whether or not it would be worth my time, and all praised Do-It-Yourself Sushi (A DIY Guide to Japanese Cuisine):

This all-new cookbook series lifts the lid on supposedly difficult Japanese cuisine with easy-to-follow instructions and great recipe ideas that'll leave your dinner guests beaming with both pleasure and amazement. This first book in the series walks the novice sushi chef through all techniques required to make yummy sushi at home.
