Hannah Miles : Doughnuts: Delicious Recipes for Finger-Licking Treats before purchasing it in order to gage whether or not it would be worth my time, and all praised Doughnuts: Delicious Recipes for Finger-Licking Treats:

3 of 3 people found the following review helpful. Doughnuts: Delicious Recipes for Finger-Licking TreatsBy K. J. KalinInventive recipes such as Cherry Cheesecake Doughnuts, Caramel Fudge, Giant Doughnut Birthday Cake, Doughnut Croquembouche, and Vanilla Cream Doughnuts, which I am looking forward to trying since I can't have chocolate. The recipes are in English and American, so you don't have to convert anything, and I like that a lot. The pictures are excellent as well.1 of 1 people found the following review helpful. Nicely done. Hard coveredBy John G.Plenty of recipes and photos. Nicely done. Hard covered. Add it to your book collection.0 of 1 people found the following review helpful. It is like bread, specificallyBy wilhelmabWe tried a yeast doughnut for the first time, the chocolate indulgence. It is like bread, specifically, like the chocolate challah I make (which is a lot less work). So we were disappointed. All the fried doughnuts are yeast (couple of exceptions in the international section). The non yeast are for baking, not frying and based on the recipes, I am assuming the batter will be too runny to roll and fry. So I am undecided as to whether to keep this book. The photography is gorgeous.

These recipes feature a selection of irresistible doughnuts to satisfy the sweetest of teeth.

About the Author A lawyer and MasterChef finalist in 2007, Hannah Miles has developed a second career as a cake maker and food writer. She is the author of Whoopie Pies, The Gluten-free Baker, Sundaes Splits, Milkshake Bar, Mini Cakes and Popcorn Treats, all published by Ryland Peters Small.
