**Judith Glover : Drink Your Own Garden: A Homebrew Guide Using Your Garden Ingredients** before purchasing it in order to gage whether or not it would be worth my time, and all praised Drink Your Own Garden: A Homebrew Guide Using Your Garden Ingredients:

0 of 0 people found the following review helpful. Rxcellent resourceBy CustomerIf one is newly beginning as hobbist wine making this is an outstanding resource for all kinds of wines, fruits, flowers, and has directions for cordials, syrups, and cottage brews. Great book.0 of 0 people found the following review helpful. Great book! Simple enough to tackle the fear of ...By stlkmjnGreat book! Simple enough to tackle the fear of beginning a new hobby and one where

nobody I know can offer direction. I also love that it offers both European and US measuring units and includes such a wide (and in some cases delightfully strange) list of recipes.0 of 0 people found the following review helpful. Four StarsBy Furry MonstersThis is a really beautiful book, the recipes are simple and useful.

Drink up, with this fully revised and wonderfully imaginative guide to making the most of your garden produce. The 140 recipes here range from fruit and berry wines to beer and honey mead, as well as nonalcoholic juices, cordials, and teas. It includes guidelines for every step; advice on equipment, ingredients, and what to grow when; and a list of potential problems and remedies, accompanied by attractive vintage-style color illustrations.
