George Wendt : Drinking with George: A Barstool Professional's Guide to Beer before purchasing it in order to gage whether or not it would be worth my time, and all praised Drinking with George: A Barstool Professional's Guide to Beer:

1 of 1 people found the following review helpful. George Knows BeerBy Larry UnderwoodIf you savor the flavor of a nice cold beer, you'll surely enjoy this professional perspective, compliments of George Wendt - the King of Beer Drinkers.Let's face it; for a large segment of the population, beer is the center of the universe. George is widely

regarded as the beer drinker's guru; the guy with the most knowledge on the subject, and the sharpest wit on how to engage in the activity in the most desirable fashion. This book is no exception; he nails it. Certainly, George knows beer; and we're fortunate enough to have his spin on how to best savor a nice cold one. Really, no beer drinker's library is complete without Wendt's engaging prose. You'll love it. 0 of 0 people found the following review helpful. ONE OF THE BEST SITCOMS EVER By Customer IT'S CHEERS, ONE OF THE BEST SITCOMS EVER, JUST A STORY ABOUT NORM FROM CHICAGO, SECOND CITY AND HIS BREAK WITH BEING ON 11 SEASONS .0 of 0 people found the following review helpful. From one true beer-lover to another By the bitter cup I, like George, love beer. A lot. An entertaining read, light, happy. I enjoyed it. With a beer or several.

Will Rogers once said he never met a man he didn't like. I feel the same about beer. George Wendt and beer have shared a lot over the years: good times, great stories, useless trivia, and a successful show business career. In *Drinking with George*, Wendt invites readers to crack open a cold one and pull up a seat at the bar as he celebrates the indelible, intoxicating beverage and all its irresistible peculiarities. Spinning hilarious and frank tales of his own imbibing adventures— from taking a first sip of his grandfather's Bud as a child in Chicago to a beer-fueled impromptu performance with Woody Harrelson and the U.S. Women's Synchronized Swimming Team— he explores the vast cultural history of brews, tackles basic bar theory, and answers important questions, like: • What's the real difference between lager, stout, and ale? • How do you convert your lady into a beer-lover? • What do you do when your beer is warm and you want to drink it now? The next-best thing to a barstool and a pint, *Drinking with George* is all the fun— without the hangover.

From *Publishers Weekly* Starred . Actor Wendt is recognized world-wide for his role as Cheers barfly Norm Peterson. In this memoir, Wendt finds plenty of common ground with his televised alter ego, not just in his keen love for beer, but in a talent for funny, affectionate storytelling. Deftly weaving personal anecdote with beer lore, Wendt reminisces on a career built on his work playing a lush, and a personal life also largely defined by beer. Hysterical from start to finish, Wendt is also measured, humble and genuine. Stories of his time at *Second City* and his relationships with Woody Harrelson, Chris Farley, Farrah Fawcett and others are a goldmine for comedy fans. Wendt never strays far from his most trusted costar, beer, and aficionados will be impressed by his extensive, loving collection of trivia and history. Fans of the man, the myth, or the malt beverage will drink it up. About the Author George Wendt is an American actor, best known for the role of Norm Peterson on the classic television show *Cheers*.
