My Methodist mother-in-law and Southern Baptist mom both love it. I'm giving it to my Reformed Baptist brother soon.Where'er the Catholic sun doth shine,There's music and laughter and good red wine.At least I've always found it so.Benedicamus Domino!-Hilaire BellocAnd cocktails and fine beer, too,May Our Lord be e'er with you!(Begging the pardon of the late Belloc.)5 of 5 people found the following review helpful. A Gift for All SeasonsBy kevin ryan"Drinking with the Saints" is a treasure of a book. It is filled with highly readable, often funny, stories of our saints. The recipes are almost too inviting!! The book, itself, is a thing of beauty. Wonderful illustrations. Organized by day and month. Striking layout. Even the book's paper is

high quality. Don't buy one, because you'll want to give this book away. Perfect for college graduation, for birthdays and anniversaries. And what better gift for Father's Day to help dad out of his Scotch and water rut. 5 of 5 people found the following review helpful. Raises my husband's status among his Catholic buddies

My husband loves this book. I bought it for him for Father's Day and one thing I didn't take into account is the variety of liqueurs that have mysteriously appeared in our home since he started trying out the recipes. :) He has found some recipes that I like too in the book so it is all good. We appreciate the variety of feast days that are in the book (including many lesser known saints) and I was pleasantly surprised at how thick the book is...it is a good 1.5 inches thick. My husband's friends enjoy the book too when they come over.

Pub crawl your way through the sacred seasons with this entertaining and useful collection of cocktail recipes, distilled spirits, beer, and wine for virtually every occasion on the Catholic liturgical calendar. One part bartender's guide, one part spiritual manual, a dash of irreverence, and mixed with love: *Drinking with the Saints* is a work that both sinner and saint will savor.

"This book is certain to reunite more than a few Catholics and Shakers. A well-researched and entertaining work—only the humor and the martinis are dry."—Philip Greene, cofounder of the Museum of the American Cocktail and author of *To Have and Have Another: A Hemingway Cocktail Companion* "Drinking with the Saints becomes an occasion (if not an excuse) to slow one's pace, savor a drink, and slip not into inebriation but a relaxed look at the saints."—Father Mitch Pacwa, S.J., host of EWTN Live
