By Dorothy Red We love eating chicken and these dump chicken recipes are welcome addition to our list of chicken recipes at home. What I love about this recipe book is that it is very simple and direct to the point. It states the name of the recipe, total cook time, serving amount, ingredients, and directions for cooking. The directions also came in very simply. There were also some additions tips thrown in every once in a while. This will be a very useful book for us. 3 of 3 people found the following review helpful. Can't go wrong with this book, quick, easy, and tasty! By Beach Book Publishing Quick, easy, and tasty. What more could one ask for? Oh yeah all the ingredients are fairly priced, nothing too fancy! Perfect combination for those of us in a hurry but do not want a 99 cent value meal heart attack in a bag. How can one go wrong with chicken? With this book it is next to impossible to go wrong. 2 of 2 people found the following review helpful. Dump Chicken Recipes By Tyson I cooked up the cream of mushroom. Wife and kids loved it. My favourite is the chilli dump chicken. Many of the recipes can also work with basic home ingredients.
