**Tom Soule : Dump Dinner Boxset: The Ultimate Dump Dinner Cookbook + The Best Dump Dinners Cookbook:Quick Easy Dump Dinner Recipes For Busy People (Dump Dinners Cookbook, Slower cooker Recipes, Slower Recipes)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dump Dinner Boxset: The Ultimate Dump Dinner Cookbook + The Best Dump Dinners Cookbook:Quick Easy Dump Dinner Recipes For Busy People (Dump Dinners Cookbook, Slower cooker Recipes, Slower Recipes):

0 of 0 people found the following review helpful. A good book.By Terence MartinI like this book by Tom Soule because unlike many books I review there is virtually no hype. It's basically a book of recipes all done in the slow cooker. I'm no great cook so this got my attention straight away. There are many reasons why the casserole is a great thing in this fast food rush hour world of ours and the biggie is health. The ingredients Soule gives can be healthy. Just cutting out the processed food from our diet would be a big step forward and M Soule gives the road map through these twenty plus recipes. It's another book for printing out, either on cards or your favorite way of filing and keeping close to the cooker for easy reference. I'll be trying a lot of these delicious looking recipes myself. Definitely worth the read ndash; A good book.0 of 0 people found the following review helpful. Great for busy families!By B.L. AsselinDeliciousness within an hour ndash; yes, that's what I want! And I can't thank the author more for this super-useful book. Time is what I'm always short of, so cooking these 'dump dinners' will be right for me. I went through the recipes, and every one of those seemed so enticing, especially my all-time favorite chocolate cake! There aren't too many recipes, but the ones that are there are quality ones. A must-have cookbook for busy professionals.0 of 0 people found the following review helpful. there are sooooo many awesome recipes in this box set that I dont think ...By J GreyThis is the ultimate dump dinner box set.there are sooooo many awesome recipes in this box set that I dont think i'll have time to get through them all ;)both cook books are well laid out and easy to follow.grab a copy and start enjoying your dump dinners today :)
