Navdanya : Earthbound: Navdanyarsquo;s Guide to Easy, Organic Cooking before purchasing it in order to gage whether or not it would be worth my time, and all praised Earthbound: Navdanyarsquo;s Guide to Easy, Organic Cooking:

As more homes turn to organic food, Navdanya the organisation that brings farmers' organic produce in new and creative ways to your tablepresents a compilation of tasty trational Indian receipes that enable you to best use organic fruits and vegetables. Organicallygrown fruits and vegetables are unarguably more flavourful, and richer in vitamins, minerals and essential fatty acids. Covering the diversity of our cuisine, Navdanya brings to the healthconscious, a

collection of recipes that makes organic cooking easy, as well as delicious.
