Now I'm able to make them myself. Well written. 0 of 0 people found the following review helpful. Five Stars By Fred excellent 0 of 0 people found the following review helpful. Great book By Syd So proud of our east indian cuisine. the author has truly captured the east indian culture and cuisine to perfection. I was lucky to grab a copy of this book on my recent trip to mobai.

East Indian cuisine is rich and flavourful. A fusion of Portuguese and Indian culinary practices and very different from

well known Goan cuisine, this book is targeted at a cross section readership, and a world wide audience.
